

**Greetings Tiger Families!**

We are excited to announce that we recently adopted a new form of school-to-home communication at College Prep called **ParentSquare**.

This unified communications platform is designed to keep parents and guardians informed and encourage greater engagement and connection with our Tiger Community.

As we roll out this new communication tool for the 2024-25 school year - all school, grade level and classroom information will begin to be sent to your computer or phone via email and/or text.

We hope that this is yet another way to support the partnerships that we have with our amazing Tiger Families!

**Go Tigers!!!**
